Saratoga Splash Days
"Ready, Set...Go!"
June 6-11, 2016

For more information and a list of events, activities and times visit www.saratogaspringscity.com/civicevents.

Shay Park Fundraiser

The Utah Live Steamers Railroad Club is currently raising money for Shay Park to install a 1-inch aluminum rail and locomotives for trains

to pull visitors at the park. Residents and businesses that would like to help with the purchase of the rail should contact the Utah Live Steamers Railroad Club at (801) 798-0241 or via e-mail at cmry@sfcn.org.

Irrigation Calculator

The City has created an irrigation calculator to help customers estimate their monthly irrigation water allotment and estimate the cost of their bill. Visit www.saratogaspringscity.com and click on the "Irrigation Calculator" link. You'll be able to enter your lot size to determine your monthly water allotment. You can also estimate what your bill would be at different water usage amounts.

SEASONAL WORKERS NEEDED!

The City of Saratoga Springs has several openings for Seasonal Parks Maintenance Workers. The Seasonal Parks Maintenance position performs skilled work pertaining to landscape maintenance and maintenance of Saratoga Springs City parks, streetscapes, park facilities and other Saratoga Springs City property. Preferred 18 years or older. However, there are a limited number of positions for employees who are 16 or 17 and have a driver's license. Seasonal positions are also available in the water and streets departments.

The City is also hiring for a full-time building inspector position.

Employment opportunities and applications are available online at www.saratogaspringscity.com under the "Employment" page.

Food Truck Monday

Saratoga Springs Civic Events has partnered with Food Truck Underground for a Food Truck Monday at Neptune Park. The fun begins every Monday from 5 p.m. to 8 p.m. Follow the Saratoga Springs Civic Events on Facebook for all the details of which trucks will be attending.

TIPS TO HELP SLOW THE FLOW

- With the warmer temperatures, landscapes still do not require much, if any water. Adjust the number of days you water each week depending on the season and weather. A helpful map is available online at www.slowtheflow.org and click on the "Utah Weekly Lawn Watering Guide."

- **Irrigation systems may not be turned on between 10 a.m. and 6 p.m. except when establishing new grass or performing maintenance on the system. This schedule reduces water waste and also allows time for the secondary water wells to recover.**

- Water smarter by installing rain and moisture sensors. The rain and moisture sensors help shut your sprinkler system off if there is rain and to measure the moisture level in the grass to reduce the amount of water used in regular watering. Once the sensors are triggered, the sprinkler system shuts off.

- Be selective in the plants you use for your landscape. Look for water-wise plants and/or plants that can thrive in our climate and soil types.

- Using mulch reduces evaporation from the soil and helps prevent weeds from growing in areas where water is needed for ornamental plants.

- Adjust your lawn mower to a higher setting. Longer grass shades root systems and holds soil moisture better. By raising your lawn mower height another ½ to 1 inch, you are promoting the conservation of water in grass.

- Cross connections between the culinary and irrigation water lines are illegal and can carry a fine. If you think your lines may be cross connected and would like it checked, please contact the Public Works Department at (801) 766-6506. They can help determine if a line is cross connected and if so, assist you on how to fix the cross connection

- More tips to conserve water both inside and outside your home are available online at www.slowtheflow.org.

Who do I contact to fix...?

Download the service request mobile app for Saratoga Springs

Have you come across a streetlight issue, a pothole, a landscaping issue or something that needs attention in Saratoga

Springs? You can notify City staff straight from your smart phone with the Saratoga Springs mobile app.

The Saratoga Springs mobile app is a free, simple and intuitive smart phone application that helps residents and visitors of Saratoga Springs to report issues to the appropriate City department for a quick resolution.

Simply download the app by visiting the Google Play store or the App Store on your Android or iOS device and search for "Saratoga Springs City Mobile."

*** Please note, this app is not intended for use during an emergency.**

POLL WORKERS NEEDED!

The Utah County Elections Office is recruiting poll workers to staff the polling locations for the 2016 Presidential Election. This is a unique opportunity for Utah County residents to both serve their community and have a hands-on experience with the election process.

If you or anyone you know would be interested in working for the 2016 Presidential Election visit www.utahelectionworker.com to read complete requirements and apply online or call the Utah County Elections Office at (801) 851-8128.

Saratoga Springs Community Orchestra

The Saratoga Springs Community Orchestra will begin their Spring Season with practices on the 1st and 3rd Thursdays of each month from 7 p.m. to 9 p.m. at the City Offices (1307 N. Commerce Dr.).

The orchestra will be preparing for concerts during Saratoga Splash Days in June and a Christmas Concert in December.

Did you know everything that enters our storm drain system ends up in our lakes and streams? Help prevent storm water pollution by properly disposing of pet waste. Take a bag with you when walking your pet and pick up any waste and dispose of it in the trash or flush it down the toilet.

Help Keep Recycling Costs Down

The City is seeing an increase in the amount of trash found in recycling bins. Placing unaccepted items in your recycling bin leads to contamination and higher costs for the City to deliver this service.

Please visit www.saratogaspringscity.com/utilities for a list of accepted/unaccepted items to help keep costs down to provide the recycling service. We appreciate your help!

Saratoga Springs residents can go paperless for their utility bills. Set up an account at www.xpressbillpay.com to receive your bills through email. Then call the City offices at (801) 766-9793 to have your paper bills stopped.
