Library Summer Reading Program

By: Melissa Grygla, Library Director

Rock your summer with the Saratoga Springs Library Summer Reading Program!

Join our programs as we explore music, instruments, rhythm and more this summer; and/or pick up the reading program information and earn prizes for completing any of the activities listed on the information sheet.

Every year the Library's Summer Reading program grows a little bit more. Seven years ago when the Library began its first Summer Reading Program, there was room for 100 participants. Last year, there were over 750 children between the ages of 4-12

who completed the program.

Volunteers and staff begin reaching out to local businesses and soliciting donations in November to pull our program together. Thanks to generous sponsors such as Chick-Fil-A, Towne Storage, Del Taco, and many more we are able to provide reading incentive programs to the following ages: 0-3, 4-12, 13-17, and Adults.

Drop by the Library any time after June 1st to pick up the reading program information. Remember to bring your logs back to redeem for prizes by August 4th. Prizes are only available while supplies last and cannot be exchanged.

Redwood Road Construction Update

Ongoing Work (400 South to Lake View Terrace Road)

Northbound Lane Closure:

Crews are working Monday through Friday from 7 a.m. to 7 p.m. A section of northbound Redwood Road will be reduced to one lane between Grandview Boulevard and 400 South as needed from approximately 9 a.m. to 4 p.m. to allow room for utility work and roadway reconstruction.

Redwood Road - East Side:

- Roadway construction
- Curb and gutter installation
- Utility work

Parkway Boulevard - Entrance:

- Utility work
- Roadway reconstruction

Redwood Road - West Side:

- Light pole foundation installation

Upcoming Work (400 South to Lake View Terrace Road)

Parkway Boulevard - Entrance:

- Powerline work
- Concrete placement
- Asphalt paving

Redwood Road

 IMPROVED

Saratoga Springs

Spring Clean-Up, May 12 - 21

The City has consolidated the dumpster locations for spring cleanup again this year. The Spring Cleanup location is at the City's Public Works site located on Saratoga Road at 900 E Saratoga Springs.

This will be the only dumpster location in the City. We are only offering

one location to ensure that dumpsters are available for use. Previously, the dumpsters located throughout the City would fill quickly and not be available for use.

Having multiple dumpsters at one location will ensure that each dumpster is hauled away and a new one is delivered

as soon as possible ensuring that they are available for residents' use.

Just a reminder, this service is provided only for bagged household and/or green waste items. Furniture, electronics, oil/fuel, kitchen appliances, tires, rocks and concrete are not to be placed in these dumpsters.

Secondary Water Schedule

Irrigation systems may not be turned on between 10:00 am and 6:00 pm unless you are establishing new grass or performing maintenance on your system. This schedule has been set up by the state and also allows time for the wells to recharge.

Cross connections between the culinary and irrigation water lines are illegal,

and can carry a fine. If you think your lines may be cross connected and would like it checked, please contact the Public Works department. They can help determine if a line is cross connected and if so, assist you on how to go about getting it fixed.

During the month of May, sprinklers typically need to be run only about once

a week. You can visit the EPA's Water Sense Website at <http://www.epa.gov/WaterSense/> or the Slow the Flow, Save H2O Website at <http://www.slowtheflow.org/index.php/outdoor-tips> for great water conservation tips.

EVENT

JUNE

Less Water, Same Beautiful Lawn

By: Darl Brown, Storm Water Manager

It's spring time again. Time to dust off the golf clubs, detail the car and get the yard in shape.

Whether we like to admit it or not, we are all a little competitive on trying to outdo our neighbors when it comes to who has the nicest looking yard in the neighborhood.

We all do it. We're out there adding top soil to the flower beds, planting trees, bushes, and flowers. Spreading fertilizer on the lawn to make sure it looks its best, and watching our yards come out of hibernation as well as the new life sprouting before our eyes.

With all of the life naturally coming back and the new life taking hold, everything needs a drink of water. This requires being responsible for the water we have, the water

we need and the water we want. This is an exciting time of the year because the first thought we have when watering our flowers and trees is that we're okay with our water levels, we just finished with winter and we had quite a bit of snow. However, that's not the case.

We are still struggling with multiple years of drought and do not have the luxury of endless watering. We need to fix broken sprinklers and pipes, as well as adjust sprinkler timers and heads.

As we move forward this spring, let's be as frugal with our water as we are with our money. We don't throw money down the gutter, so let's not do the same with our number one commodity—our water.

Flash Mob Marching Band!

Did you rock out in Marching Band or a Garage Band in high school? Relive those days again and be a part of our "Flash Mob Marching Band" during the Splash Days Parade.

All you need to do:

1. Watch the City website and Facebook page this month for registration and music.
2. Download the music for your instrument and start practicing!
3. Come to a practice on Wednesday, June 6 at 7pm at Neptune Park.
4. March in the Saratoga Splash Days parade on Saturday, June 9 at 10am.
