## 2020 Miss Saratoga Springs

By: Jealin Dickamore, Assistant Civic Events Coordinator

The 11th Annual Miss Saratoga Springs pageant was held on Saturday, March 7th at Vista Heights Middle School. We were excited to have Ironman athlete, reality TV star, Boston and New York marathon qualifier, Heather Jenson as our Emcee. Seven amazing contestants participated in this year's pageant.

After weeks of preparation the contestants participated in an interview, fitness, talent, evening gown and on stage question categories. This year each contestant also had a peer escort join her onstage for the evening gown walk.

We are proud to have Tate Harrison represent our city as our 2020 Miss Saratoga Springs along with 1st Attendant, Kennedy Pawloski and 2nd Attendant, Abi Love.

The royalty will participate in events throughout the year in the city as well as represent Saratoga Springs in other community parades throughout the summer.

Each royalty member must complete a minimum 10 hour service project during their reign. Information regarding those projects and how the community can be involved will be coming in the next few weeks.

Kennedy Pawloski also received the Talent Award

for the evening, along with Whitney Paris as Miss Photogenic, Kennedy Pawloski as Miss Congeniality along with the Director's Award.

Last year we introduced our "Little Miss Saratoga Springs" essay contest. It was such a success, that we decided to add a "Junior Miss Saratoga Springs" category to the event. This year's Little Miss is Bree Rowley and our Junior Miss is Adelyn Jenson. They will serve alongside our Miss Saratoga Springs royalty this year and attend our community events.

The 2020 "Spirit of Saratoga" award was also handed out at the pageant. The 2020 award went to Dan Fritch. For more than 5 years, Dan Fritch has generously volunteered his time and effort to organize and direct the Saratoga Springs Community Orchestra.

We would like to thank all of the young ladies that participated in the Miss Saratoga Springs Pageant and both the Little and Junior Miss Saratoga Springs Essay Contest this year.

If you would like to learn more about the Miss Saratoga Springs pageant and how to volunteer or participate next year, go to: [www.saratogaspringscity.com/misssaratogasprings](http://www.saratogaspringscity.com/misssaratogasprings)

# Disposing of Green Waste Properly

By: Darl Brown, Storm Water Coordinator

This is the time of the year we start trimming trees, bushes, pulling those pesky weeds and mowing the lawn for the first time, as well as getting that first dose of fertilizer on the lawns to make them as green as they can possibly be. As we finish these jobs up, there is a proper place to dispose of all the green waste we have now accumulated.

I have been monitoring our foothills, and storm drain channels, along the shorelines of the Jordan River and the Utah Lake. I've been very disappointed to find multiple loads of garbage and green waste illegally being dumped in these areas.

I want our residents to understand that just because it's green waste doesn't mean it's good for the environment, or that it's ok to dump it in these areas. It's like camping, the saying is "If you haul

it in, you haul it out". When you mow your lawn and you've decided to mulch

Same goes for all of your limbs that you have trimmed off your trees; place them in your garbage can, and if your garbage can is full make a trip to the North Pointe Transfer station in Lindon. They will accept all of your material as long as you have your loads tarped.

The dumping of any product in our foothills, any stormdrain channels or along any body of water is illegal and is a code enforcement violation. If caught, fines can be assessed up to \$1000 or more.

Let's keep our foothills, stormdrain channels, detention ponds and entire city beautiful for us all to enjoy walks, riding bikes, ATVs, horses etc. Also please remember "Only rain down the drain" and "Let's leave it better than we found it".

your grass, just blow your clippings off of your driveways and sidewalks back into the grass. If you're going to bag lawn clippings, then you need to bag them and place them in your garbage can on garbage day.

## Police Department Update

Greetings from the police department.

Be advised that our patrol officers continue to conduct patrols, respond to calls, and be available 24 hours per day.

Due to the COVID-19 emergency, we have had to modify our police station lobby hours as follows:

Saratoga Springs Police Station:

- Monday thru Thursday: 8:00 AM to 4:00 PM
- Friday: 8:00 AM to 12:00 Noon

Bluffdale Police Station:

- Monday thru Thursday: 8:00 AM to 2:30 PM

Fingerprinting services are suspended until further notice. We ask that reports

of routine matters occur by telephone. The best way to file a report by phone is to call dispatch at (801) 794-3970. Much of our follow up work will also be via telephone and/or e-mail.

We are also suspending tours and visits to the police stations (except allowed official business).

These things are subject to change and we will post changes on our website and Facebook page.

We thank you for your patience and understanding during this emergency. We hope all of you stay safe and well.

# Reduce Your Risk of Coronavirus

## Clean

your hands with soap and water or alcohol-based sanitizer.

## Avoid

close contact with anyone who is experiencing flu-like symptoms.

## Cover

your mouth and nose when coughing or sneezing. Use a tissue or into your upper sleeve, not your hands.

If you live in or have recently returned from an area with ongoing spread of Coronavirus within the past 14 days, and develop a cough, fever, or difficulty breathing, contact your healthcare provider. Call ahead to tell your healthcare provider about your travel and symptoms.

BROUGHT TO YOU BY  
UTAH'S PUBLIC HEALTH  
DEPARTMENTS

## A Message From Our Fire Chief About Covid-19

By: Jess Campbell, Fire Chief

I hope all are well and weathering the COVID-19 storm. These are trying days for certain and I hope the messages I have sent out earlier have proven useful in your personal lives. However, I want to shift gears a little.

COVID-19 has proven a couple of things. One, we need to understand our preparedness will be tested in more ways than we may have previously thought possible.

Often, we think that the preparedness in our homes will be a short-lived need, when in reality it more than likely will be a longer-term need.

We also have been shown recently that stores too are challenged in trying

times to be able to provide needed items in our homes. The frenzied buying will for certain create shortages.

We here in the City are doing all we can to meet your needs and keep our personnel and their families safe.

In that effort, our Fire, EMS, and Police personnel will be approaching some situations differently. In all cases, we are first and foremost focused on doing all we are able to do in meeting your needs. We will get through this!

As for how we do that will be dependent on each of us, doing what is necessary and following the recommendations of our federal, state, and local leaders. Please stay safe and be considerate of the needs of others.

### EMERGENCY PREPAREDNESS

MAKE A PLAN

BUILD A KIT

BE INFORMED

Again, being prepared on an individual household level is our greatest hope for surviving such events in our lives and community.

## SPRING CLEAN UP

## WASTE DISPOSAL

## HAZARDOUS WASTE COLLECTION

You can dispose of household hazardous materials at either county waste station

## ELECTRONICS DISPOSAL

April 5-25  
Mon-Fri 7am-6pm  
Sat 7am-3:30pm

## YARD CLEAN UP DISPOSAL

North Pointe Solid Waste  
2000 W. 200 S.  
Lindon

For more information go to [www.saratogaspringscity.com](http://www.saratogaspringscity.com)

## Secondary Water Turn on Dates and Information

The City of Saratoga Springs will begin charging the secondary (irrigation water) starting the week of April 15th. In order to help the system charge faster we ask residents to turn your individual secondary water valve to the off position. This will protect your sprinkling system and allow you to test for water leaks.

## Employment Opportunities

## PART-TIME POSITIONS

- Records Clerk
- Engineering Internship
- Legal Assistant
- Sports Official
- Site Supervisor
- Seasonal- Streets, Water, Parks

## VOLUNTEER OPPORTUNITIES

- Library
- Arts Council
- City Celebrations Committee

For the latest updates, visit: [www.saratogaspringscity.com/employment](http://www.saratogaspringscity.com/employment)
