SARATOGA SPRINGS PUBLIC LIBRARY

WE'RE STILL OPEN!

While we are unable to open our doors to the public at this time, we are able to provide digital and drive-up services to our residents.

You can register for a library card online if you do not already have one. You must be a resident of Saratoga Springs and you can upload your Picture ID and address verification right on the library card application.

- o Please visit our website to access the library card application: www.saratogaspringscity.com/Library

- Then click on Cards & Account Access to find our library card applications.

- o We will email you with your card number when your registration is complete.

- o You are welcome to begin using this card immediately to use digital services and place items

on hold through our catalog.

- o A physical copy of your card and our brochure will be mailed to you and should arrive within several days after your registration is complete.

We are so grateful to be able to offer our drive-up service for those that need materials. Please don't forget we are here to answer phones and do our drive-up service during normal business hours. Mon-Thur 9am-8pm and Fri-Sat 10am-6pm. Our phone # is 801-766-6513

Please make sure to place the items you are interested in on hold and come pick them up when you have received an email that they are available.

Like and follow us on Facebook to receive updated information and resources.

SPLASH DAYS IS
GOING DIGITAL
JUNE 8-13

Due to social distancing guidelines for public gatherings set by our governor, Saratoga Splash days will be a virtual event this year. There will be virtual contests and activities for families to participate in and opportunities to win prizes. Follow us on social media for more information and links to register.

We are looking to hold an “end of summer” celebration August 3-8, dependent on guidelines by the state health department for public gatherings. More information can be found at:

Keeping Right of Ways Clear

By: Darl Brown, Storm Water Coordinator

When landscaping or beautifying your yard with delivered materials, whether it's bark, sand, decorative rock, gravel etc., those materials should never be dumped in any public right-of-way. The public right-of-way includes streets, sidewalks, curbs and gutters.

Materials should always be dumped in your driveway or yard so that storm water does not carry it away and into the City's storm drain inlets.

Not doing so can clog the inlets

and prevent the storm water from properly draining, which may also cause flooding or overflow on the roads.

If you are not able to move material right away, place a tarp over the product to prevent storm water from carrying product into the storm drains.

As a good reminder, when purchasing materials to be delivered to your home, please take the time to prepare an area for the placement of the product. Also, make a plan to use it as quickly as possible so that it does not wash off your driveway and end up in the storm drain from rain or other weather.

Finally, please remember that storm water is not filtered, and that anything that runs down the gutters and streets eventually ends up in our rivers and lakes. Don't forget, "Only Rain Down The Drain" please, "Let's Leave It Better Than We Found It".

Emergency Tip #7: Outfitting Your Car

By: Jess Campbell, Fire Chief

We hope you are all well and staying safe! This month's message is regarding outfitting your personal vehicle. We have no idea when travel impacts will occur. Stock the family vehicle(s) with items, which will add to your safety and security in various emergency and everyday situations, with an eye to the changing of seasons and circumstances.

Make it a matter of habit to keep

the fuel level above the halfway mark. Such obvious items as a blanket, heavy-duty flashlight, and a container of drinking water, a collapsible shovel, a basic first aid kit and jumper cables are a start.

Some high-energy snack bars and weather-conscious clothing items are good additions. A sharp pointed rock, hammer or a spring loaded metal punch, within the driver's reach. This may become a life-saving method of breaking through a window in a flood situation. A spare cellphone or walkie talkie kept charged is a smart further step.

Reminder: No Dumping!

Recently, we have noticed an increase of trash, lawn clippings, etc., dumped near the city's canals.

According to City Code 14.03.11 (Ord. 11-9; Ord 99-0112-2), it is "unlawful for any person to place, deposit, or dump garbage, ashes, market waste, paper boxes, cartons, trade waste, manure or night soil, or any other refuse upon any lot within the City regardless of whether such lot

is occupied or vacant and whether such person so placing, depositing, or dumping such refuse is the owner, tenant, or occupant thereof or has the same under his jurisdiction and control."

Be advised that a citation and fine can be issued to those found dumping.

To report illegal dumping, please contact the Code Compliance Inspector at 801-766-9793, ext 193.
