The Saratoga Springs Community Development Department would like to invite you to attend our second Breakfast with Planners event on Tuesday, March 8 from 8:30 AM - 10 AM. It will be held at the Talon's Cove Clubhouse located at 2220 S Talons Cove Dr. The event will provide an opportunity for the public to sit down with City Planners and enjoy free breakfast while participating in three 20-minute sessions, to discuss the following topics:

- The City General Plan Update - A planner will apprise residents on where we are at in the process of updating the General Plan and what the next phase of that update will be. Residents will gain a

**"..Provide input .."**

better understanding of the General Plan in regards to development and what the city's long term goals are. In addition residents will be able to provide input in regards to those

plans.

- Economic Development Update - Doug Meldrum our Economic Development Director will provide an update on current commercial development in the city and future commercial developments that will be coming down the line.

**"Learn what is happening with commercial development .."**

- Department Q&A - Come get your questions answered by representatives from the following departments Police, Fire, Recreation, Planning, Public Works, and City Management.

We are excited for this opportunity to meet with residents to help them understand aspects of the planning process and to get their questions answered. Come on out, join us for breakfast, and participate in the future of Saratoga Springs and "Make Saratoga Better"!

## Spring Cleaning the Garage/Shed

By: Holden Richins, Storm Water Inspector

As the weather warms up and spring cleaning begins, let's focus on ways we can eliminate storm water pollution. As you

begin your spring cleanup remember that automobile fluids, paints, old batteries, pesticides, and other household chemicals should not be thrown away with the rest of your garbage.

If taken to the landfill, these substances can leach into our groundwater. And, if left out or dumped into streets, storm drains or drainages, they can make their way to our waterways and into Utah Lake. This is both harmful to people and the environment. Only storm water should go into storm drains!

If you have any Household

Hazardous Waste that you need to dispose of, you can ALWAYS dispose of household hazardous materials at either county waste station! Many items are FREE disposal, such as paint, oil, gasoline, pesticides, and cleaners. Electronics, trash and some other items may have a small fee.

Medications can be brought to most police departments and pharmacies for disposal. For more information please visit the Utah County Health Departments Website at [www.health.utahcounty.gov/hhw](http://www.health.utahcounty.gov/hhw).

# Tag us!

Use the hashtags

#saratogapd or

#saratogaspringspolicedepartment

Check out our new social media carousel at [saratogaspringscity.com/policedepartment](http://saratogaspringscity.com/policedepartment). If you hover your cursor over the images you can read more about that image or click on the image to enlarge it.

If you want to be included in this carousel tag us using either of the following hashtags #saratogapd or #saratogaspringspolicedepartment. We look forward to seeing what images you capture of us!
