

APRIL 2016

THE SARATOGA VIEW

THE OFFICIAL PUBLICATION FOR SARATOGA SPRINGS

SPRING CLEAN-UP DUMPSTERS

Dates: May 6 – May 15

The City has consolidated the dumpster locations for spring cleanup this year. The new location is at the City's Public Works site located on Saratoga Road at 900 East. This will be the only dumpster location in the City.

We are only offering one location to ensure that dumpsters are available for use. Previously, the dumpsters located throughout the City would fill quickly and not be available for use. Having multiple dumpsters at one location will ensure that each dumpster is hauled away and a new one is delivered as soon as possible for residents' use.

Just a reminder, this service is provided only for bagged household and/or green waste items. Furniture, electronics, oil/fuel, kitchen appliances, tires, rocks and concrete are not to be placed in these dumpsters.

If you have questions or concerns please contact the Public Works Department at (801) 766-6506.

SECONDARY WATER TURN-ON DATES

The City of Saratoga Springs will begin charging the secondary water system starting the week of April 15. Please notify the City of any leaks in or around your meter. The City encourages you to turn your individual secondary water valve to the off position. This will protect your irrigation system and allow you to test for water leaks when you are ready as leaks might have developed over the winter.

If you have questions or concerns please contact the Public Works Department at (801) 766-6506.

EASY Eliminate Alcohol Sales to Youth

The Saratoga Springs Police Department and Communities That Care recently completed alcohol compliance checks in our community.

We would like to congratulate and thank Smith's, Top Stop, Wal-Mart and Walgreens for their efforts leading to this recent success in passing the alcohol compliance check. Responsible alcohol sales businesses are a respected part of our community and their efforts to help us keep alcohol out of the hands of youth are appreciated.

Employment Opportunity

The City of Saratoga Springs is currently accepting applications for the following positions:

Full-time: Engineer I

Part-time: Police Crossing Guards; Recreation Coordinator; Seasonal Public Works and Parks employees.

An employment application and job descriptions are available online at www.saratogaspringscity.com.

Shay Park Fundraiser

The Utah Live Steamers Railroad Club is currently raising money for Shay Park to install a 1-inch aluminum rail and locomotives for trains to pull visitors at the park. Residents and businesses that would like to help with the purchase of the rail should contact the Utah Live Steamers Railroad Club at (801) 798-0241 or via e-mail at cmry@sfcn.org.

Saratoga Springs Arts Council Youth Summer Theatre

June 1 to July 15
Monday, Wednesday and Friday

Ages 8-14

Performances will be July 15 and July 16.
Cost: \$80

Includes drama and vocal coaching sessions, a t-shirt and 2 performances.

Spaces are limited. Registration is now open at www.saratogaspringscity.com/civicevents.

Help Keep Recycling Costs Down

The City is seeing an increase in the amount of trash found in recycling bins. Placing unaccepted items in your recycling bin leads to contamination and higher costs for the City to deliver this service.

Please visit www.saratogaspringscity.com/utilities for a list of accepted/unaccepted items to help keep costs down to provide the recycling service. We appreciate your help!

Help keep stormwater clean by sweeping all fertilizer, soil and vegetation off paved surfaces. Fertilizers, soil particles, grass clippings and leaves contain nitrogen and phosphorus which can cause nuisance weed and algae growth if washed through storm sewers into nearby waterways. In addition, decomposing leaf and grass clippings can rob streams and lakes of oxygen.

Save the Dates!
