## **7<sup>th</sup>-9<sup>th</sup> Grade Soccer Team Creation Policy**

Option #1: Participants can request ONE friend to play with on the same team (known as a Head to Head request). These Head to Head requests must match each other, AND registrations must be completed and done by the registration deadline. Head to Head requests are not guaranteed, but we will make our best effort to fulfill them.

Option #2: Participants that have someone willing to coach can fill out a Player Protection team form. Through filling out this form, a coach can protect seven players not including their child/participant. As long as those players listed on the Player Protection form have registered before the deadline they will be placed on that coach's team.
