Concept Plan Process

Concept Plans may be applied for in accordance with [Chapter 19.13.05 of the Land Development Code](#).

Review the relevant code and provide the items in the checklists below.

Email the completed & signed application and all required application materials to Planning@SaratogaSpringsCity.com. Questions may be directed to 801-766-9793 x155.

Review Fee: Application materials will be initially reviewed for completeness. When deemed complete, the application will be accepted and then the review fee can be paid by check or credit/debit card.

Checks can be delivered to:

City of Saratoga Springs
Attn: Planning Department
1307 N Commerce Dr., Suite 200
Saratoga Springs, UT, 84045

To pay by card, call 801-766-9793 x 155. Convenience fees may apply.

The application cannot be reviewed until the fees are received.

In an effort to provide the best service and most efficient review of your application, no Planning application will be accepted unless the application is determined to be complete, containing all items on the application checklist(s).

Applications will be routed for review the first business day after they are accepted. After being routed, most applications will receive a response within 10-12 business days. A Comment Review Meeting (CRM) may be requested after comments are sent to the applicant. Reviews for large projects or those with complex circumstances may require additional time; in these instances the City will notify the applicant of the extended review period.

Planning Checklist Items

Applicant	City	<p style="color: red; margin: 0;">Check or initial the applicable boxes to indicate the items have been included or the application will not be accepted.</p>
		1. Project Name: _____
		2. Plat/Parcel Map of the area (available at the Utah County Surveyor’s Office)
		3. Legal description of the entire proposed project
		4. Proposed changes to existing zone boundaries, if such will be needed
		5. Conceptual elevations and if available, floor plans Elevations shall be designed in compliance with the adopted Site and Architectural Design Standards (section 19:16 of the Land Development Code)
		6. Concept Plan Map: drawn to a scale of not more than 1" = 100', showing the following:
		a. Proposed name of subdivision, cleared with the County Recorder to ensure the name is not already in use
		b. Name of property if no subdivision name has been chosen - commonly the name in which the property is locally known
		c. Locations and widths of existing and proposed streets and rights-of-way
		d. Road centerline data including bearing, distance, and curve radius
		e. Configuration of proposed lots with minimum and average lot sizes
		f. Approximate locations, dimensions, and area of all parcels of land proposed to be set aside for park or playground use or other public use, including acreages, locations, and percentages of each, and conceptual plan of proposed recreational amenities
		g. Those portions of property that qualify as sensitive lands per Section 19.02.02 , including acreages, locations, types, and percentages of total project area and of open space
		h. Total acreage of the entire tract proposed for subdivision
		i. General topography shown with 1' or 2' contours and slope arrows with labels

		j. North arrow, scale, and date of drawing
		k. Property boundary with dimensions
		l. Data table including total number of lots, dwellings, and buildings, square footage of proposed buildings by floor, number of proposed garage parking spaces, number of proposed surface parking spaces, number of required and proposed ADA compliant parking spaces, percentage of buildable land, percentage and amount of open space or landscaping, and net density of dwellings by acre
		m. Existing conditions and features within and adjacent to the project area including roads, structures, drainages, wells, septic systems, buildings, and utilities
		n. Conceptual utility schematic with existing and proposed utility alignments and sizes sufficient to show how property will be served including drainage, sewer, culinary and secondary water connections and any other existing or proposed utilities needed to service the proposed development or that will need to be removed or relocated as part of the project
		7. A schematic drawing of the proposed project that depicts the existing proposed transportation corridors within two miles, and the general relationship of the proposed project to the Transportation and Land Use Element of the General Plan and the surrounding area

Disclaimer: Please consult current ordinances, including State and City codes, and other legal precedents for applicable law. This application will be subject to any and all valid laws in place at the time a complete application meeting all city ordinances is submitted with all application fees paid.

APPLICANT ACKNOWLEDGMENT:

I hereby certify that I have read the information contained in this application form and that I have provided the required application materials.

Applicant's Name: _____

Applicant's Signature: _____ Date: _____

APPLICANT CERTIFICATION:

I certify under penalty of perjury that this application and all information submitted as a part of this application are true, complete and accurate to the best of my knowledge. I also certify that I am the owner of the subject property and that the authorized agent noted in this application has my consent to represent me with respect to this application. Should any of the information or representations submitted in connection with this application be incorrect or untrue, I understand that the City of Saratoga Springs may rescind any approval, or take any other legal or appropriate action. I also acknowledge that I have reviewed the applicable sections of the Saratoga Springs Land Development Code and that items and checklists contained in this application are basic and minimum requirements only and that other requirements may be imposed that are unique to individual projects or uses. Additionally, I agree to reimburse the City of Saratoga Springs all amounts incurred by the City in excess of the base fee required by the Consolidated Fee Schedule to review and process this submitted application and agree to comply with Resolution No. R 08-21 and R 11-22. I also agree to allow the Staff, Planning Commission, or City Council or appointed agent(s) of the City to enter the subject property to make any necessary inspections thereof.
