EMERGENCY PREPAREDNESS

Make A Plan, Make A Kit, Be Prepared To Survive It! You can never be too careful when it comes to the safety of you and your loved ones. Make sure you are adequately prepared for any kind of disaster, whether in the home or outside of the home.

We cannot control natural disasters, but we can be prepared to know what to do during one.

72 Hour Kits :A list of the types of items to include in an emergency evacuation kit can be found by going to: www.saratogasprings-ut.gov/disasterkit

First Aid Kit: Information on how to build a First Aid kit can be found by going to: www.saratogasprings-ut.gov/disasterkit

Be Ready Utah: This site has additional emergency preparedness information specifically for issues in our state. Access information by going to: www.beready.utah.gov

HOME SAFETY & FIRE PREVENTION

Statistics: 2020 national estimates for residential building fires and losses:

- 372,000 fires
- 2,615 deaths
- 11,825 injuries
- \$8,604,400,000 in dollar loss

Because of these significant losses is important to prepare your family and homes.

Fire Escape Planning: Instructions on how to make a fire escape plan: www.saratogasprings-ut.gov/emergencypreparedness

Properly Using Smoke and Carbon Monoxide Detectors: information on Smoke and CO detectors can be found by going to: www.saratogasprings-ut.gov/fire

Radon: Information on Radon and how it can affect your family can be found by going to: www.saratogasprings-ut.gov/fire

RULES AND REGULATIONS

Fireworks: Fireworks are allowed on specific days during the year. There are restrictions on what types of fireworks are allowed in certain areas of the city. To see an interactive map that shows where fireworks are restricted along with information on what days and times fireworks can be lit, and firework safety tips go to: www.saratogasprings-ut.gov/fireworks

Burn Permit: Burn permits are available through the Division of Air Quality. Residents will also need to call dispatch at 801-851-2876 to establish that it is a legal burn day from Utah Air Quality.

Backyard Fire Pits: Recreational fire pits are allowed within city limits with some restrictions. Rules and regulations and other safety information on backyard fire pits can be found by going to: www.saratogasprings-ut.gov/firepits

Information on additional programs, events and services can be found at:
