Applications to subdivide a parcel into a maximum of four parcels may follow the process described herein as the Minor Subdivision Approval Procedure. The process of effectuating the subdivision of land as a Minor Subdivision shall commence with the submission of a complete Minor Subdivision application to the City. Upon receipt of an application for a Minor Subdivision approval, the following process shall be followed and criteria met:

1. Limitations

- a. A Minor Subdivision is a one-time process. To ensure adequate infrastructure, lots contained in an existing recorded subdivision plat are not eligible to apply for an additional Minor Subdivision.
 - b. The minimum lot size for lots created through a Minor Subdivision shall be one acre, or the minimum allowed by the zone, whichever is greater.
 - c. Lots created through a Minor Subdivision may not be buildable until all other applicable State and local requirements are met.
2. **Complete Application.** The Planning Director and City Staff shall have ten business days to determine whether the application is complete. The applicant shall be notified in writing if the application is complete and, if incomplete, shall be notified of the reasons why the application is deficient.
 3. **DRC Review.** Once an application is deemed to be complete, the Development Review Committee shall complete a review of the proposed plat and provide comments to the Planning Director.

4. **Approval.** The Planning Director shall review the proposed Final Plat to determine whether it is in compliance with the City Code.
 - a. If the proposed plat complies, the Planning Director shall approve the plat and authorize the Mayor to sign the plat.
 - b. If the proposed plat fails to comply, the Planning Director shall deny the plat, or may continue the decision and return it to the developer along with a written list of deficiencies that must be corrected before the Planning Director will authorize the Mayor to sign it.
 - c. The Planning Director is specifically charged with ensuring that all significant conditions required for plat approval have been resolved before taking final action.
5. **Recordation.** The City Recorder, or designee, shall be responsible for recording subdivision plats. The applicant shall pay for all recording fees at the time of recordation. No Final Plat shall be recorded unless and until the plat is properly approved, signed, and accepted by the City.
