Planning Saratoga Springs

Stay in the know

Report on Active Projects **RAP Sheet**

The community development department maintains a Report on Active Projects to help residents and staff stay up to date on the various commercial and residential development projects in the city. Items are divided by Construction, recently approved plats, planned developments, and City masterplans and studies.

To access the RAP sheet Use the QR Code or go to:
www.saratogasprings-ut.gov/rapsheet

Development Videos

The City has created videos to help residents understand the City's role in both residential and commercial development.

The videos can be accessed by going to:
www.saratogasprings-ut.gov/developmentvideos

Pending & Recently Approved Applications

The Pending and Recently Approved Applications page on the City website lists all of the applications that are in process at this time. The list is broken into Pending Applications and Recently Finalized Applications.

To access the Pending & Recently Approved applications use the QR code or go to:
www.saratogasprings-ut.gov/pendingapps
