

AGRICULTURAL PROTECTION REMOVAL REQUEST

DATE:	February 15, 2024
PROJECT NAME:	Saratoga Springs 7 (Neptune Park)

To Whom It May Concern:

It is proposed that the land shown on the attached plat be removed from the agricultural protection area that is located within the incorporated area of the City of Saratoga Springs.

A portion of this property has been used in the past as part of agricultural production by the Church of Jesus Christ of Latter-day Saints. The church is going to adjust the stops for the current pivot to allow for the construction of this new church and associated site improvements.

Sincerely,

Chad Spencer
