Filing officer's responsibilities

Code is very specific on the responsibilities of a filing officer at the time the candidate files for office. The following is a checklist of things that must be completed at the time of filing, by the filing officer, with the candidate present. 20A-9-201:

Checklist

- ☒ Read the statutory requirements for the office that the candidate is seeking. (with Declaration Form)
- ☒ Require the candidate to state that they understand the requirements.
- ☒ Inform the candidate that an individual who holds a municipal elected office, may not, simultaneously, hold a county elected office.
- ☒ Verify the voter registration status with the county clerk's office. Call (801)-851-8128. (or elections@utahcounty.gov) It is easier to resolve these issues while the candidate is still present.
- ☒ Inform the candidate that the candidate's name will appear on the ballot as written on the declaration of candidacy. (ballot is printed in all capital letters and in Master Ballot Position.)
- ☒ Make sure candidate has completed or updated their conflict of interest disclosure statement.
- ☒ Ensure that the candidate is aware that no amendments to the filing forms may be made after the close of the filing period.
- ☒ Notify the candidate that state law allows candidates to make some of their information private. An optional form may be provided to the candidate to list private contact information solely for office use, or the filing officer may simply redact the public copy of the filing form. **NOTE:** information that was chosen to be made private should be protected by your office and only used for official election purposes. It should never be disclosed outside of that use. It may be necessary to share private addresses with the county clerk's office to verify voter registration status.
- ☒ Provide the candidate with a copy of the pledge of fair campaign practices and inform the candidate that signing is voluntary, but if it is signed, it will be filed with the filing officer.
- ☒ Reiterate that we will post the candidates name and contact information on the City website as well as a link to their campaign website. We will not post Bio's of the candidates on city website.
- ☒ Provide the candidate with a copy of 20A-7-801 regarding the Statewide Electronic Voter Information Website Program and inform the candidate of the deadlines, for both Primary and General, to submit their candidate profile. *The LGO's office will provide each municipal office with a form that satisfies this requirement. This form must be given to each candidate.*
- ☒ Provide the candidate with a copy of the current campaign finance disclosure laws for the office that the candidate is filing, and advise that failure to meet the deadlines will result in candidate disqualification and removal of the candidate's name from the ballot. They may use their own forms
- ☒ Accept the filing forms if the candidate appears to meet the requirements.
- ☒ Pay Filing Fee \$50.
- ☒ Review packet highlights. Q&A

Other responsibilities of the filing officer include:

- ☐ The filing officer must email all candidate declaration forms to the county Clerk's office, elections@utahcounty.gov, nicoles@utahcounty.gov, justinma@utahcounty.gov. The county clerk will verify that the candidate is registered to vote at the address reflected on the declaration forms. The county clerk will also enter the candidate information into the Statewide voter registration database. This will ensure that the candidate's name appears on the State's website.
- ☐ List all candidate information on your jurisdiction's website within 3 days of filing. Ensure that any information that the candidate requested to make private is redacted. Include replacement contact info.
- ☐ Publish list of names of candidates, as they will appear on the ballot as Class A notice for 7 days.
- ☐ Notify the lieutenant governor of the names of the candidates, as they will appear on the ballot. elections@utah.gov.
