- Due to rapid construction, if your street is not shown on the current map, your street is therefore a restricted street to aerial fireworks. This map is as accurate visually as possible. However, please refer to the street list.
- Should you be found to be in violation of this Fireworks ban, fines will begin at \$250.
- Should you be found to be responsible for the starting of a fire, any and all costs of that suppression effort will be borne by the responsible party. Please help us keep our community safe and tragedy free this 4th and 24th of July!
