

THE CITY OF  
**SARATOGA SPRINGS**  
SPECIAL EVENT SPONSORSHIP PACKET

The City of Saratoga Springs continues to be one of the fastest-growing communities in Utah, and there is so much to celebrate! As our city expands, our residents are eager to see new businesses grow right alongside it. Event sponsorship is one of the most powerful ways to connect with our community, putting your business name front and center on event banners, signage, and advertising throughout the year.

Take your involvement a step further with a booth at our events and meet residents face-to-face. Build relationships, share your products or services, and become a recognized and trusted part of Saratoga Springs life.

This year, we are excited to partner with the **America250** program, commemorating the founding of our nation. We're taking our patriotism to the next level with great events and activities added all year, including a patriotic Splash Days celebration, as well as our *Salute to America* night at Summer Monday Fundays on June 29<sup>th</sup>. Don't miss it!

Our City Celebrations Committee is a volunteer-supported organization powered largely by generous sponsor donations. For 18 years, our volunteers have dedicated countless hours to growing and improving Saratoga Springs events, creating traditions that our community looks forward to year after year. With a full calendar of high-quality events planned for this year, we are thrilled to provide you with the opportunity to promote your business in our city.

We deeply appreciate your willingness to support our city through donations and sponsorships! The following pages outline our events and ways to get involved as a sponsor. We truly value our event sponsors and work hard to highlight your business at every event. With a wide range of events, we have sponsorship opportunities for every budget. We are happy to explore custom sponsorship ideas if you have a unique vision for participating.

Thank you for helping us strengthen our community and celebrate all that makes life better here!
