Total approved or pending in City:	29537	10002	19535	
Vested = approvals given to a point where State law requires the approval to be honored.				
Approved = preliminary or final approval given. The density is vested and must be permitted, even it not yet recorded.				
Pending* = Application not approved, but submitted prior to the proposition, and complete enough that State law requires continued processing.				
Total units remaining = units (single and / or multi-family) that have not yet been recorded.
